United Way of Central Georgia Reveals Top 100 Most Generous Workplaces

MACON, March 27 – United Way of Central Georgia revealed Central Georgia’s 100 Most Generous Workplaces from 2016. This list includes generous contributions from organizations and their employees to the United Way workforce campaign.

“The leaders on this list are determined by their philanthropic contributions to United Way of Central Georgia during the previous year,” said Thomas Bacote, Market President for iHeart Media and Chair of our Marketing Committee. “Through their corporate and employee giving, sponsorships, in-kind and initiative support, these Most Generous Companies are investing in a better future for Central Georgia and its residents.”

Because of these companies’ critical support, our workforce is stronger and more stable. Furthermore, it bolsters our economy and improves the health and well-being of our entire community. View the list of Top 100 Most Generous Workplaces [here](#).
