

Drug-Free Workplace Seminar

Tuesday, April 25, 2017 · 11:00 AM to 1:00 PM

Central Georgia Technical College · 3300 Macon Tech Drive · Building H (Auditorium)

Because we know being a Certified Drug Free Workplace is crucial to you and our many clients throughout Middle Georgia, we are once again hosting the Annual Drug Free Workplace Seminar in partnership with the Macon-Bibb County Sheriff's Office.

Being a Certified Drug Free Workplace can have huge effects on your bottom line by potentially saving your company time, money and legal costs. Employers certified by the Georgia State Board of Workers' Compensation receive a 7.5% reduction on their workers' compensation premiums. Additional benefits may include:

- *Reduced Human Resources and hiring costs.
- *Reduced employee losses, errors and repairs as well as risks to company's assets.
- *Lower accident rates which results in lower costs for auto and liability insurance.
- *Reduced employee absenteeism, tardiness and turnover.
- *Lower health insurance costs.
- *Increased prevention of employee theft, fraud and damage losses.
- *Safer workplace for you and your employees.
- *Increase in employee productivity.
- *Improved employee morale.

Why do we host the Drug Free Workplace Seminar every year? Simple really. We realize that the health of your business may depend on us. We take that responsibility very seriously. We strongly believe that being a Certified Drug Free Workplace will be your most valuable risk management tool.

Macon Occupational Medicine is accredited by the Drug & Alcohol Testing Industry Association (DATIA) and is a member of the Council on Alcohol and Drug Abuse.

We are also a Certified Drug Free Workplace.
