# Beat Summer Learning Loss

**Summer slide is the loss of knowledge over summer vacation.**

Summer learning loss in elementary school has been linked to consequences in later academic life, affecting whether students drop out of high school and whether they attend college.\*

## Summer Learning Gap

# OPEN HOUSE

# Friday, May 19th

# 5-8pm

**Mathnasium of Macon**  
5451 Bowman Road, Suite 240, Macon, GA 31210  
(In the Publix Shopping Center)  
**(478) 471-8477**  
macon@mathnasium.com  
mathnasium.com/macon

At Mathnasium, we believe that every child has the ability to be successful in math!

Studies have shown that over summer vacation, students can lose about two months of math computational skills learned during the school year. Our summer programs are designed to combat summer learning loss. We'll help your kids retain all they learned in math class this year, so they're well equipped for a strong start in the fall.

When math makes sense, kids excel—whether they're far behind or eager to get ahead! **Come to our Open House on May 19th from 5-8pm to see the difference Mathnasium can make.**
