

IMPROVING THE EDUCATION AND WORKFORCE PIPELINE
Regional Meeting Hosted by

Consider these Georgia statistics...

- Employer job openings have grown over 150% since 2010.
- Meanwhile, we rank 34th among states for unemployment.
- By 2025 – just 7 more years! – 60% of jobs will require some form of post-secondary education, yet...
- Only 47.9% of our young adults have a college degree.

What does this mean for your kids, your family, your community, your business?

Join the **Georgia Partnership for Excellence in Education** as we help you and your region tackle these challenges through **IMPROVING THE EDUCATION AND WORKFORCE PIPELINE**.
