

Chamber Member,

Can you believe that 2017 is half way over? As we enter the final half of the year, I hope your revenue line is growing by leaps and bounds.

Are you looking for a new way to introduce yourself, your products and services or even your most recent sale to the people of Middle Georgia?

Please remember that I, Sarah Clark, am here to help.

Let's discuss iHeartMedia's exclusive offer to all New Chamber Members, as well as all of iHeartMedia's distinctive and industry leading opportunities, such as SLATE Digital Marketing and Sports Broadcasting.

Did you know that we broadcast Mercer Football, UGA, and all Houston County High Schools (Veterans, HOCO, WR, and Northside) games on our stations?

Are you interested in branding yourself by being part of our Sports Promotions? If so, please contact me!

It would be my pleasure to help you make the remainder of your 2017 a profitable year!

Thank you for your time,

Sarah Clark
